### 3. OLD BUSINESS

A – Reunion Funding – This is an item that was left over from Warwick and was never resolved and the new administration needs to address and resolve the issue of financial liabilities and national safeguarding of shortfalls. The OAEA President, James Heffel will review this issue and submit a proposed course of action to the BOD by 6 May 2009.

B – Replacement of Secretary – In the interest of obtaining a replacement secretary, Ed Hamblin volunteered to become a member of the OAEA Membership Committee and as such, will take over management of the membership database and records. Duplication and distribution of the Explorers Gazette was determined to be the remaining hurdle in place before a volunteer could be solicited and Jim O'Connell will obtain a cost estimate from a local jobber and provide the BOD with this estimate for their information and action. (Secretary's Note: After the current Secretary tasking was revised and the meeting was adjourned, Art Lindburg volunteered to accept the Secretary and OAEA President Jim Heffel announced acceptance of this offer).
